

HOLA MEXICO – History		
L/O: To understand the significance of different types of Ancient Maya food	What I think	My teacher thinks
<i>I can remember to:</i>		
Name different foods that were eaten by the Ancient Maya people	☐	
Explain how the food was used	☐	
Explain why certain foods were particularly significant	☐	

Use the information from the video and the resources from the medium task. Draw a picture of each item of food and explain how it was used. Include any information about why it was important to the Ancient Maya. You could use the website to research other items of food.
