

HOLA MEXICO – History and Maths

L/O: To develop an understanding of the Maya number system

What I think

My teacher thinks

I can remember to:

Use the key to work out the value of each symbol.

Add the symbols together to find the total.

Use the key to write my own numbers.

★ Solve some calculations using Maya numbers

Key:

 0	 []	 []	 []	 []	 []
 1	 []	 []	 []	 []	 []
 5	 []	 []	 []	 []	 []
 []	 []	 []	 []	 []	 []

★ **Challenge!** Now you know all about Maya numbers, can you solve these calculations? Write down the answers using the Maya symbols!

1.  +  = _____

2.  -  = _____

3.  x  = _____

★ **Challenge 2!** Can you write some calculations of your own? You could ask someone else to solve them or solve them yourself!
