

### Task 1

Use the definitions to draw a picture in each box that could represent the word in the box.

|                                                           |                                                |
|-----------------------------------------------------------|------------------------------------------------|
| <b>sturdy</b> - strong and solid                          | <b>trudge</b> - to walk slowly                 |
| <b>dense</b> - packed together with not much space around | <b>trek</b> - a long, challenging walk on foot |

## Task 2

| Target word                                                                                                   | Synonyms |
|---------------------------------------------------------------------------------------------------------------|----------|
| discovery                                                                                                     |          |
| trek                                                                                                          |          |
| sturdy                                                                                                        |          |
| dense                                                                                                         |          |
| turquoise                                                                                                     |          |
| <b>Which synonyms match the target words?</b><br>hard-wearing      hike      finding<br>thick      blue-green |          |

Challenge: Now write some sentences using any of our new words. I have done one for you:

The sky looked turquoise this morning.
