

The Explorer's list poem	My list poem
Alliteration of something you might see eg sizzling sun beams, scorching sky,	
The sound of something	
An animal's footprint,	
An unusual or magical item	
A large number of something e.g. 10000 leaf skeletons	
Something amazing growing in the jungle	
Something never-ending	
The smell of something,	
Something that a creature left behind, e.g. the feather from a Soupee	
Something to show how you might feel
