

## Communicating Multimedia

**YEAR**  
**2**

**How do I record sound and pictures?**

### The Big Picture

**LEARNING OBJECTIVE:**

*I can tell stories using images and sounds using a computer*

### End Point Knowledge

*Pupils create digital content, e.g. an animation, or combine media with support to present information, e.g. sound and images. They recognise that digital content belongs to the person that created it. Pupils recognise what personal information is and the need to keep it private.*
