

Communicating Text and Images

YEAR
6

Unit 1: How do I use a computer to present information effectively

The Big Picture

LEARNING OBJECTIVE: I understand that a computer is a type of machine and we use computers to help us find out and present information

Children will explore using a school iPad and learn how to use them effectively, as well as learning how to use the iPad as a tool.

End Point Knowledge

- Why we use a computer to write;
- basic icons and where to find options in menus in word-processing software;
- where to open and save work at school;
- how to edit text and why we use particular effects (e.g. bold, underline);
- why we need to keep personal information private.
