

Maths Homework Autumn 2 Week 1

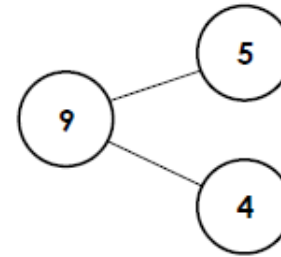

Our addition and subtraction sentences belong to a **fact family**. In maths you can move numbers around if you know how!

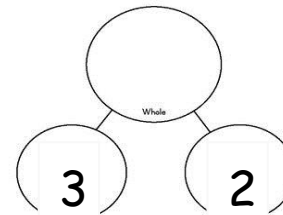

- $7 + 3 = 10$
- $3 + 7 = 10$
- $10 - 3 = 7$
- $10 - 7 = 3$

Remember To:

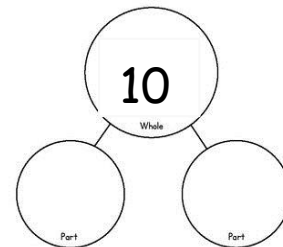

- copy the Learn It
- write the Switcher
- bring the total (sum) to the front, change the symbol and write the 2 switchers
