Message from the Friends of Walkley Fundraising Christmas Cards

Dear parents/carers,

Last year we organised Christmas Cards (or winter themed cards) which the children designed. These were then professionally printed by a company for parents to order.

<http://www.marstanchristmascardsforschools.co.uk>

There are cards, and other gifts using your child's design. Money is raised for school for every order made.

The template enclosed is for the design which we hope you will encourage your child to do at home. There is no obligation to purchase anything, you will receive a proof of the design before you decide if you would like to buy any.

Things to note!

- Make sure that the children do not draw outside the faint yellow line.
- Only **pencils**, **felt tips** and **paint** can be used on the design sheets.
- **No glitter** as this comes off very easily, and creates marks on scanned images
- **Draw any Christmas/winter theme ideas – some pictures below for ideas!**

Please return your template to your child's class teacher by **October 1st at the latest**. This allows time for the company to receive the designs and send us proofs for orders. Order will be in early November for delivery by the end of November.

Kind Regards,

Friends of Walkley
