

Read Write Inc

Read Write Inc begins this week.
Children are either in small,
focused RWI groups or in a Star
writing group

This term the Y2 star groups
will be looking at retelling and
adapting the Storm Whale story.
We will look at using
adventurous vocabulary,
punctuation, improved
handwriting and superb
summarising skills to make our
own original story.

Science

Science and our topic will be:

Living things and habitats

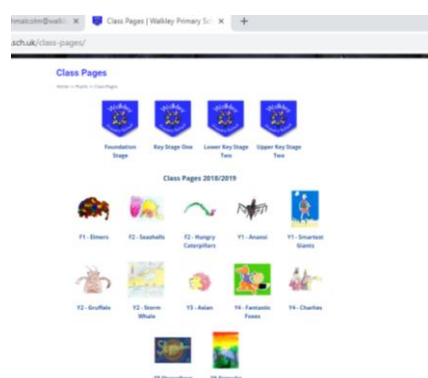

We will be exploring the school woods to
identify living things that live there. Then
will discuss and examine what makes
something alive and study in detail some
animals and plants.

In addition, we will look at other habitats
such as ponds, oceans and jungles.

Finally, we will look at food chains in
different habitats to understand how
dependent eco systems are.

Year 2

Autumn 1

Topic: The Storm Whale Show!

Teachers: Ms. Solinger

TA: Mrs. Chetcuti

Numeracy

This term will be learning and
applying new addition,
subtraction, multiplication and
division skills to solve 1 step and 2
step problems.

Furthermore, we will be studying
2d and 3d shapes by understanding
their properties and where we can
identify them in our everyday life.

Children will receive maths
homework that reinforces their
class work. See the blog to
download homework if your child
has been absent. Maths homework
is given out on Monday and
handed in on Friday.

How You Can Help

Please ensure that you are punctual for
school, arriving by 8.45 before doors
are locked at 8.55. If you arrive later
please remember to sign in at the
office.

If your child is off school ill, please
ring school to let us know straight
away.

Spellings will be sent out each
Monday and tested on a Friday

We will send Big Math's Learn It
sheets home every Monday!

Please read with your child and leave a
comment in their reading records.

**Remember that PE is on Tuesday,
so please ensure they have a PE kit
in school.**

Don't forget school meals are **FREE**
for Foundation, Y1 and Y2. Milk is
payable in the school office!

Physical Education

This term the Storm Whales will
be following the "Dance your
socks off!" programme and
learning different dances from
around Africa. This will involve
lots of movement and finding the
pulse of different music!

Creative Curriculum

Our topic is **The Storm Whale Show**.
The class will be planning, preparing
and performing a show based on their
class book to other children in the
school. We will study the book, design
character puppets, write scripts and
make sets. In addition, we will learn
about listening to others, building on
ideas, organising plans and supporting
classmates.
