

## Flood Myths

### Activity 1

|                                               |                       |                          |
|-----------------------------------------------|-----------------------|--------------------------|
| <b>LO: I can compare more than one story.</b> | <b>What I think</b>   | <b>My teacher thinks</b> |
| <i>I can remember to:</i>                     |                       |                          |
| reread the text carefully.                    | <input type="radio"/> |                          |
| make notes of similarities between stories.   | <input type="radio"/> |                          |
| make notes of differences between stories.    | <input type="radio"/> |                          |

Look at all of the stories that we've read. What part of them is the same as all of the others? What is different?

| Story              | Similarities | Differences |
|--------------------|--------------|-------------|
| Gilgamesh          |              |             |
| Turtle Island      |              |             |
| Bergelmir          |              |             |
| Dwyfan<br>&Dwyfach |              |             |
| Atlantis           |              |             |

## Flood Myths

### Activity 2

| LO: I can retrieve information from a text.            | What I think          | My teacher thinks |
|--------------------------------------------------------|-----------------------|-------------------|
| <i>I can remember to:</i>                              |                       |                   |
| reread the text carefully.                             | <input type="radio"/> |                   |
| pick out one part of a story that you enjoyed to draw. | <input type="radio"/> |                   |
| copy a sentence to describe the illustration.          | <input type="radio"/> |                   |
| *uplevel the sentence to make it even better.          | <input type="radio"/> |                   |

Choose one of the myths that you've read about.

**Draw an illustration** that could go alongside that story.

Write a caption underneath to describe what is happening.

### Activity 3

| LO: I can justify my opinion using words from the text.      | What I think          | My teacher thinks |
|--------------------------------------------------------------|-----------------------|-------------------|
| <i>I can remember to:</i>                                    |                       |                   |
| reread the text.                                             | <input type="radio"/> |                   |
| <b>compare</b> the similarities between the stories.         | <input type="radio"/> |                   |
| <b>infer</b> what might have happened to many civilisations. | <input type="radio"/> |                   |
| use words from the text to <b>justify</b> your answer.       | <input type="radio"/> |                   |

**1, Why do you think that there are so many similarities between these stories?**

**2, Why do you think that there are examples of flood myths from so many different cultures?**

Explain your answers as clearly as possible. Refer to evidence in the text to **justify** your opinion.
