

FILM REVIEW		What I think	My teacher thinks
LO: To be able to distinguish fact from opinion.			
I can remember to:			
describe the difference between fact and opinion .	☐		
sort examples of facts and opinions.	☐		
write your own facts and opinions about a film.	☐		

Facts	Opinions

Charlie and the Chocolate Factory isn't suitable for kids.	Johnny Depp wasn't as good as Willy Wonka as Gene Wilder in the 70s version.
The film is so old fashioned.	The film was released on the 15 th July 2005.
Five children find golden tickets and win a tour around the chocolate factory led by the secretive Mr Wonka.	The film's direction is brilliant!
The film has a PG rating.	The movie stars Johnny Depp as Mr Wonka and Freddie Highmore as Charlie Bucket.
During the film all of the spoilt children end up getting the punishments that they deserve.	The director of the film was Tim Burton.
John August wrote the script based on Roald Dahl's book	Roald Dahl's book is funnier than the movie.
