

Chinese New Year Creative Writing for the Senses

Writers work very hard to make the reader feel as if they are in the story itself. One effective way to do this is to write with the reader's senses in mind. In other words, what would that place or thing smell like, look like, feel like, sound like etc. Use the following grid to plan your own writing with the senses in mind.

Place, thing or person I want to describe _____

Sense	What I want the reader to know	Language I could use to describe this
Sight		
Touch		
Smell		
Hear		
Taste
