

**I only have one super-power.
I never give up.**

BATMAN

**X-Men,
to me!
Let's stop the
Brotherhood
once and
for all.**

With my power ring, I can create anything that I can imagine. Too bad for you - as an artist, I can imagine a lot.

You have an army?
We have a Hulk.

**Take this as a
warning: sort out
your lives. Otherwise,
it'll be Batman
coming after you
next. And he isn't
as gentle as I am.**

I'm coming
for you,
Vulture!

SPIDER-MAN

SUPERGIRL

Another day,
another bad
guy in jail.

SUPERMAN

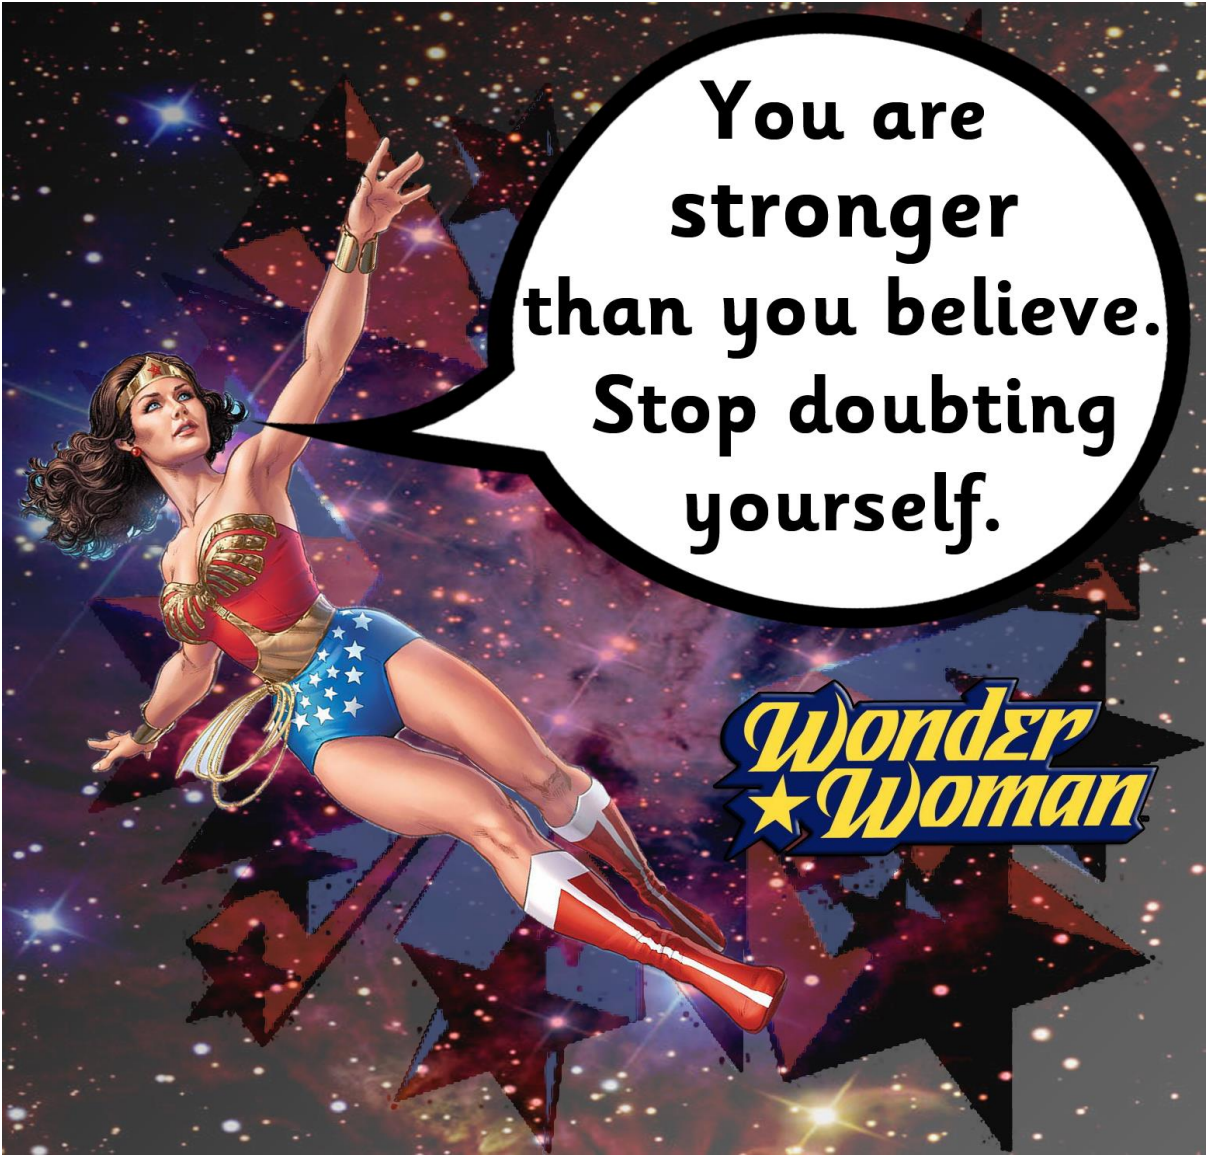

Now, to take a
rest in my Fortress
of Solitude...

**You ain't getting
past me, bub!**

WOLVERINE

A full-page illustration of Wonder Woman in her classic costume, flying through a cosmic space filled with stars and nebulae. She is positioned on the left side of the frame, angled towards the right. A large, white speech bubble with a black outline is located in the upper right quadrant, containing the text 'You are stronger than you believe. Stop doubting yourself.' The 'Wonder Woman' logo is in the bottom right corner.

**You are
stronger
than you believe.
Stop doubting
yourself.**
