Pigeon goes cuckoo over a bagel

Intro: So, if you didn't see or hear what happened yesterday, I will remind you today on Daily Mashup News.

Story: In 2009 there was a pigeon who wanted secret agent walter beckett's bagel, but the pigeon wanted more than he was given so then the pigeon caused chaos in the city then...

Missile: Then a huge missile went off in the city.

What caused it.?: a pigeon that went out of control and caused chaos, but the pigeon accidently set off a massive rocket ship!.

Interviews with eyewitnesses: now lets interview people on what they think of that controversial moment so we are interviewing someone called Alan was just doing his weekly shopping and he had never seen anything that had blown him away as much as that an he was furious because he got knocked over and dropped all the shopping that he had bought but then a car unfortunately ran over his shopping, So Alan had to spend an extra £22.56.

What will happen next.?: I think that the secret agent and chaotic pigeon will start to get along with each other and become best friends.

Optional opinion: Is it ever okay to feed pigeons.?: yes it is okay to feed pigeons because they need to eat food as well as us.

And that's been it from me with your Daily Mashup news see you tomorrow at 10AM.
