

FRACTIONS		
<u>L/O: I can find fractions of amounts.</u>	What I think	My teacher thinks
I can remember:		
Look at the denominator and find how many equal parts a bar model you will use		
Split dots/counters evenly into the bar model		
Look at the numerator and count the dots in that many parts of the bar model		
DO ME FIRST		1 mark
Half 300 =	Half 500=	
Half 30 =	Half 50 =	
Half 3 =	Half 5 =
