

Walkley Primary School – Year One Learning Log Smartest Giants

Year One Theme: “The Solar System”

Here are some examples of the children’s work carried out in Summer 1.

Learning Log Summer 2 – The Solar System

As next term’s theme continues we are following the children’s interests with Walkley’s unique approach to homework that will give your child the opportunity to demonstrate their knowledge and ‘creative flair’ with science.

- Children choose their own method to present their learning.
- The tasks will be open ended.
- There is no one right way of presenting the work.

It would be GOOD if you could complete 4 out of the 9 activities.

It would be GREAT if you could use ICT in your work.

It would be AMAZING if you could complete a range of activities (write, research, make, discuss, draw).

Bake Space biscuits	Write a way of remembering the order of the planets.	Design a menu for the astronauts
Play Lunar Lander: https://phet.colorado.edu/sims/lunar-lander/lunar-lander_en.html	Research the Red Eye of Jupiter	Make a Moon buggy for Kipper
Watch the ESA cartoon about our solar system: https://www.youtube.com/watch?v=aLOi2jJBai0	Draw a map and write directions to Kipper	Write a poem about the night sky

Every week in term time I must also:	What I think of my work in Spring 1	What my teacher thinks	Parent/Carer Comments
Remember to:			
1. Read my reading books.	☐		
2. Complete my Spelling Point Contract.	☐		
3. Practise my Learn Its.	☐		
★ 4. Talk to my grown-ups about what I’m learning in school.	☐
