

Maths Homework Spring 1 Week 5 – Year 1

Counting

Count back from 20 to 0 and write them down below:

Count backwards
37, 36, 35,
 ,

Doubling multiples of ten

Remember to double the number without the 0 and then add it back to your answer:

Double 20 is ...

Count back across the 10. Writing the numbers in a list can help:

Count backwards
54, 53, 52, ,
