

Walkley Primary school Risk assessment

LO: Write a risk assessment of our rescue mission in space	What I think	My teacher thinks
I can remember to:		
... Write what you need to take		
... use because to justify your choice		
... follow because with your solution		
... use your plan to help you		

hungry thirsty breathe freezing	oxygen water food temperature
space helmet oxygen tanks space suit food tubes water tubes	aliens meteors gravity radiation scorching heat
