

Tim Peake's Space Diary

17th December 2015

Dear Diary,

I love my new life on the International Space Station. On my first day, I checked everything was safe and got used to floating around.

Every day I...

exercise

do tests

have a meeting
with the crew

fix things

eat food

Most days are the same but I don't like Sunday because it's cleaning day!

14th January 2016

Dear Diary,

Tomorrow I am going on my first ever spacewalk! I have been getting ready for the spacewalk for a long time.

I am very excited. I will work on the outside of the space station for six hours and thirty minutes.

My tools and suit are ready and everything is planned. It's time to go for a walk. See you on the other side!
