

'ou' Consonant

Kiran was delighted about his first county football match. They were a good team and were bound to win.

He got to the football ground and looked around. The boys from Wessex County were big and loud.

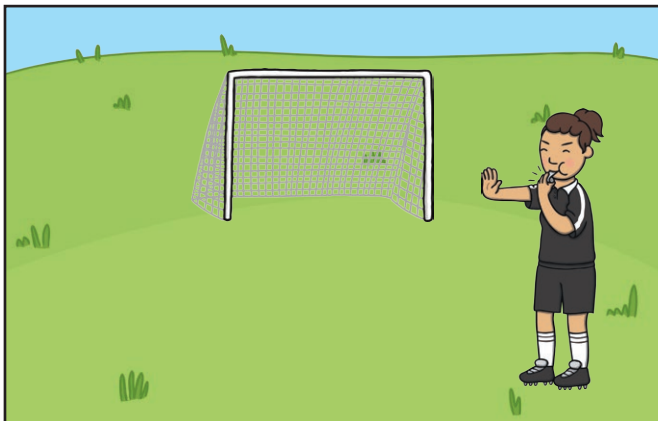

As soon as the game began, one of the Wessex boys gave him a hard clout.

'You lout!' shouted Kiran. 'That was a foul!' But the referee had not seen the clout.

The game went on and the crowd shouted loudly from the top of the mound. It was near the end, when the biggest boy from Wessex County made Kiran trip and he found himself on the ground.

'Penalty!' shouted the referee, seeing the trip. Kiran took a look at the goal mouth and gave the ball a big kick. Suddenly, the sun came out from behind a cloud and he could not see the ball. Was it in the net?

Yes! Kiran's team got the prize. It was a cup with their team name mounted on it. What a fantastic day!
