Who Can Enter?

The Challenge Cup competition is open to any club in the top ten levels of the English Football League. Once clubs have registered to play, the tournament is organised into 12 randomly drawn rounds, followed by the semi-finals and finals. The higher ranked teams join the competition in later rounds when some of the lower ranked teams have been knocked out.

What Do the Winners Receive?

The winners of the final match receive the Football Association Cup, the FA Cup. It comes in three parts; the base, the cup and a lid. Over the years, there have been two designs of trophy and five cups have been made. The first cup, known as the 'little tin idol', was stolen in 1895 and never returned. An exact replica was made and used until 1910. From 1911, a new design was made. In 1992, another copy was made as the cup was wearing out from being handled, and another replacement was made in 2014. The cup is presented at the end of the match, giving the engraver just five minutes to engrave the winning team on the silver band on the base. The cup has ribbons from both teams decorating it during the final. The loser's ribbon is removed before the presentation. Each club in the final match is given 30 winners or runners-up medals. These are given to players, staff and officials.
