

Walkley Primary School – Y5 Varjak Paws Learning Log

Here are some examples of activities the children experienced in Spring 2.

Learning Log Spring 2 – Topic: Vive La France!

In continuation of our topic, 'Vive La France!', we are continuing our exciting approach to homework that will give your child the opportunity to demonstrate their knowledge and 'creative flair'.

- Children choose their own method to present their learning.
- The tasks will be open ended.
- There is no one right way of presenting the work.

It would be GOOD if you could complete 4 out of the 9 activities.

It would be GREAT if you could use ICT in your work.

It would be AMAZING if you could complete all types of activities (read, write, research, make, discuss, draw)

Read a fresh story book from start to finish.	Research which African countries have French as their language.	Write a France 'Fact File'.
Draw a French landmark.	Discuss what countries have had an influence on your life.	Research which French scientists have contributed to our knowledge of the world?
Make a French meal.	Sing Sur le Pont d'Avignon.	Visit a museum, or a library, or a park, or a botanical garden, or a heritage centre.

Every week in term time I must also:	What I think	What my teacher thinks	Parent/Carer Comments
