3. Lilly makes some cupcakes on Friday, Saturday and Sunday. By the end of the day on Sunday she has made a total of 485 cupcakes.

Her brother Eddie says,

You could have made 154 cupcakes on each of the three days.

100	100	100	100
10	10	10	10
10	10	10	10
1	1	1	1
1			

Is Eddie correct? Explain why.
