Learning Log Autumn 2 – Curriculum Theme: Winter Wonderland

As part of our current Curriculum theme we have an exciting approach to homework that will give your child the opportunity to demonstrate their knowledge and 'creative flair'.

- Children choose their own method to present their learning.
- The tasks will be open ended.
- There is no one right way of presenting the work.

Please complete your work weekly and share what you have done on Tapestry.

Here are the activities to have a go at during this theme:

Week 1 – Explore

Can you spot any woodland animals? Have a look out of your window, on car journeys or a walk around your local area. Which animals can you spot? Can you name them? You could draw a picture of them.

Week 2 – Maths

Find some straight sticks when you are outside. Use each stick as a side of a 2D shape. What shapes can you make? Can you name them? Is it possible to make a circle?

Week 3 – Research

Using a device with access to the internet, type 'Kiddle' into the internet. This is an age protected search engine. Choose a woodland animal, with your grown up, can you research any facts about your animal?

Week 4 - Get active

We have been loving dancing with Dazzle Dance Amy. Play the song 'Gummy Bear', can you remember any of the dance moves? Have fun making up your own dance routines.

Week 5 – Get Creative

Time to get cooking! Can you make some food for a celebration of your choice? Don't forget to get an adult to help you.
Enjoy!

Week 6 - Past and Present

We have been talking about toys, old and new! Can you find a new toy and an old toy and tell us about them? These might be toys your grown up had when they were younger, or even a toy from when you were born. Have a look in a charity shop (no need to buy, but you could take a photograph)

Every week in term time I will also try to:

Remember To:

1. Read my reading books.

2. Practise undoing and doing up buttons

3. Continue to practise my Set 1 sounds using your sound pack

What I think

What my teacher thinks
