

e.g.

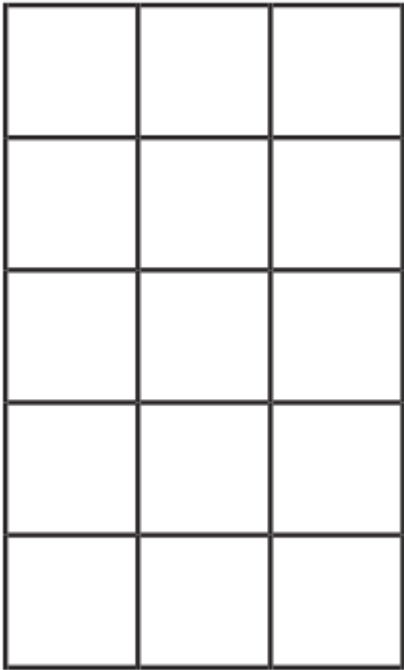

Area = 4 squares x 2 squares = 8 squares

1.

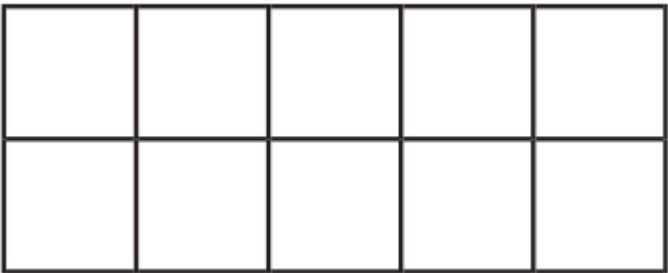

Area = 3 squares x 3 squares = 9 squares

2.

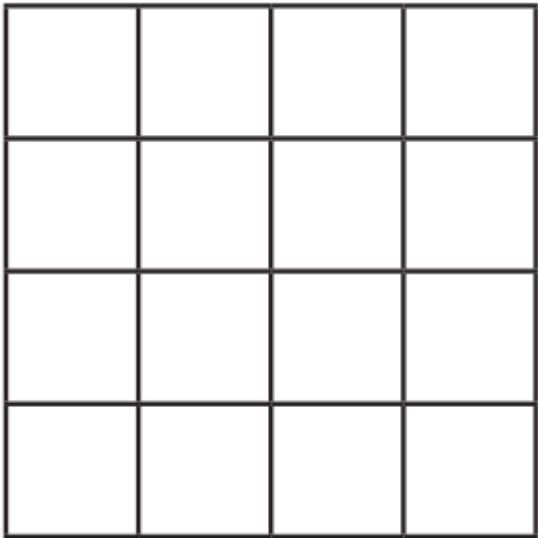

Area = 3 squares x 5 squares = 15 squares

3.

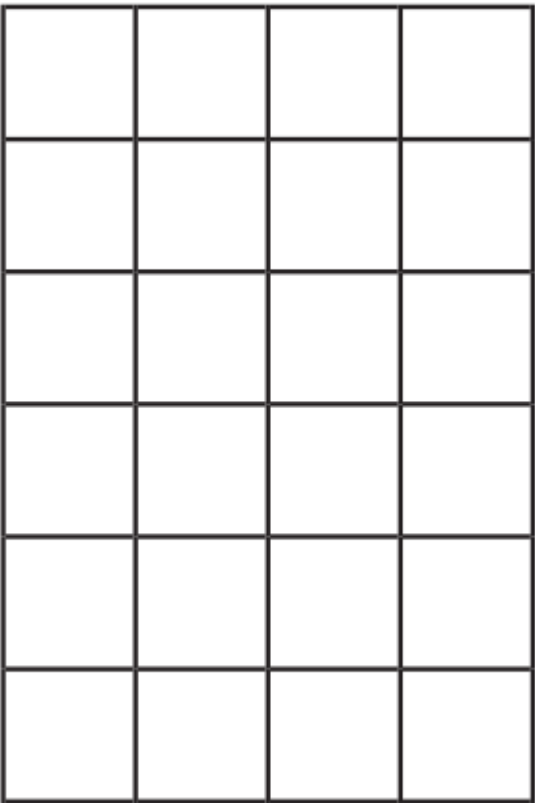

Area = 5 squares x 2 squares = 10 squares

4.

Area = 4 squares x 4 squares = 16 squares

Area = 4 squares x 6 squares = 24 squares
