

MEASURES – Money

L/O: To add amounts of money using £ and p in a practical context.

What I think

My teacher thinks

I can remember to:

Write the cost of the two items

☐

Add the total of the two items (using column addition)

☐

Show your working out

☐

Convert into pence (p) or £ if need to

☐

Present work neatly.

☐

DO ME FIRST

37 ÷ 6 =

1 mark

You buy these items	How much are they each?	Total amount
