Feedback on our changes to the use of the school driveway

Dear Parents and Carers,

I am writing to offer heartfelt thanks for your support and response to my letter dated 2nd February 2026 regarding the safeguarding of pupils, families and staff at Walkley. We have all felt a huge relief to see the necessary reduction in traffic on the school driveway. On behalf of the school community, thank you. We will continue to monitor the entrance to the driveway for the foreseeable future.

We are grateful for the reduced risk at school, and we do appreciate the traffic previously entering the driveway has now added to the volume of traffic on the roads around school. The increased pressures of finding suitable places to park can cause stressful moments at drop off or pick up, but can we please remain courteous and non-confrontational at all times. All parents and carers are asked to park considerately. Please consider our neighbours and our community when parking your vehicles and adhere to the law as stated in the [Highway Code](#). It is illegal to park across a dropped kerb driveway, and a Penalty Charge Notice (PCN) can be issued.

We appreciate your cooperation and understanding in helping us reduce traffic risks and for your continued support of community cohesion.

Thank you for your continued support.

Yours sincerely

Mr Wallis

Headteacher
