

Maths Homework – Mr Earl's group - 17/05/2019

Learn Its!

This week's *Learn Its* to practise are:

8 TIMES TABLE

8×0	=	0
8×1	=	8
8×2	=	16
8×3	=	24
8×4	=	32
8×5	=	40
8×6	=	48
8×7	=	56
8×8	=	64
8×9	=	72
8×10	=	80
8×11	=	88
8×12	=	96

Try saying them in different voices (scared, happy, shout, whisper etc.)

How many times can you say each fact in 1 minute?

Co-ordinates

Make your own pirate treasure map!

Make sure that you draw a grid and label both axes so that you can write down the co-ordinates of important places.

Remember To:

look at the x-axis first (along the corridor).

look at the y-axis next (up the stairs).

write the co-ordinates in brackets, separated by a comma. (x,y)

Can you stick the map into your homework book and, underneath, write down the co-ordinates of where at least five important places are on the map?
