

Maths Homework – Charlie Class – 01/03/2019

Learn Its!

This week's *Learn Its* to practise are:

12 TIMES TABLE

$$12 \times 0 = 0$$

$$12 \times 1 = 12$$

$$12 \times 2 = 24$$

$$12 \times 3 = 36$$

$$12 \times 4 = 48$$

$$12 \times 5 = 60$$

$$12 \times 6 = 72$$

$$12 \times 7 = 84$$

$$12 \times 8 = 96$$

$$12 \times 9 = 108$$

$$12 \times 10 = 120$$

$$12 \times 11 = 132$$

$$12 \times 12 = 144$$

Try saying them in different voices
(scared, happy, shout, whisper etc.)

How many times can you say each fact
in 1 minute?

Measuring

For your maths homework this week, I would like you to practise measuring weights, lengths and volumes of different things that you can find in your house.

Show your measures in different units (e.g. m/cm/mm).

Try to be as accurate as possible.
