Year 4 Animal Handling

Dear Parents/Carers,

As part of our Science topic in Autumn term '*Which wild animals and plants thrive in Walkley?*' based upon Living things and their habitats we have organised for the children to participate in some animal handling.

On **Monday the 12th of November** a company '*Oreo and friends*' will come into school bringing a range of animals including Raccoons, Meerkats, Skunks, Snakes, Tortoises, Tarantulas and much more! This will be a great opportunity for children to have some hands-on learning and they will have the chance to feed and handle the animals if they want to. This interaction will then be followed up in our Science and Literacy lessons.

The cost of this session is £4 and will take part in Tennyson Hall during school hours.

Please sign and return the permission slip below by Friday 26th of October.

Miss Kendall and Mr Earl

Y4 Class Teachers
