WPS – Walkley After School Club – Feedback and Future Demand

Dear Parents/carers

We are very aware that for many of our families, wrap around care is crucial to your working life patterns.

We would like to take this opportunity to support our friends at Walkley After School Club as they review the after-school care option they provide. The After School Club team have designed a feedback and **future demand** questionnaire that will provide important information to them regarding their service **and also indicate the potential demand for places**. This will be fundamental in future planning for the required provision necessary to service our school community and therefore our strategic school management.

Our aim is to promote the best possible service for all our families that need it. To do this we need all families to complete the form and provide us with the necessary information.

The form can be completed and submitted by clicking the link below:

[Walkley After School Club Feedback And Future Demand Questionnaire](#)

Kind regards

Mr Wallis
