WPS – Income based free school meals and Census Day menu 18th January 2024

Dear Parents/Carers,

We wanted to remind you that free school meals are available for families on low incomes. The details can be found here:

<https://www.sheffield.gov.uk/schools-childcare/school-meals>

If you would like us to apply on your behalf then please contact the school office.

Not only does this help families but school receives additional funding which is used for additional support for your child including new equipment, resources and support with the cost of trips.

Our funding is allocated following information received in our January census which takes place on Thursday 18th January. If you feel you may be eligible, please apply prior to this date.

We also receive additional funding when school meals are taken on this date. The menu for the 18th January will be a choice of pizza or hot-dog, wedges and beans followed by a chocolate biscuit. Please encourage your child to order a meal or school sandwich option.

If you have any questions, please contact the school office where this will be handled with confidentiality.

Thank you for your support
