

Maths Homework – Y3 Charlies - 27/09/2019

Learn Its!

This week's *Learn Its* to practise are:

$$0 + 9 = 9$$

$$1 + 8 = 9$$

$$2 + 7 = 9$$

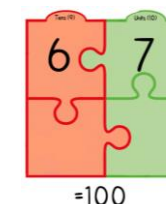

$$3 + 6 = 9$$

$$4 + 5 = 9$$

Try saying them in different voices (scared, happy, shout, whisper etc.) How many times can you say each fact in 1 minute?

Jigsaw Numbers

Jigsaw Numbers 'slot together' like Jigsaw pieces. Use number bonds to ten to find the total of the ones, then use number bonds to nine to find the total of the tens (as you already have 10 made up of ones, so only need to make 90).

Item	Cost	Change from £1
