

Walkley Primary School – Whole School Learning Log

Preparing for our New School Topic: ‘The Little Bears Trail’ and ‘The Walkley Primary School Time Capsule’

Exciting new initiatives for our new school.

Little Bears of Sheffield

We are very excited to announce that we are taking part in the Little Bears of Sheffield Sculpture Trail 2020, in support of The Sheffield Children's Hospital Charity. The project involves the purchase of a 1-metre-tall bear sculpture, that our pupils will then create a design for, to be used to decorate the bear. The sculpture will then be taken to be exhibited in a city-wide bear trail during summer 2020. At the end of the trail, the bear will be returned to school for us to keep, which we plan to incorporate into the design of our brand new school landscape.

A one-metre-tall bear sculpture is being delivered to our school and we'd like you to help design and decorate it. The decorated Walkley bear sculpture will be exhibited in a city-wide trail this summer and then returned to us to be placed in its very own garden in our new school.

The Walkley Time Capsule

A time capsule is a container that holds present day items, such as photos, newspapers, letters and more. It's typically hidden away for your future self or someone of your choosing to open. The container stores a selection of objects chosen as being typical of the present time, buried for discovery for the future.

We plan to keep our Time Capsule safely stored for 100 years and then pupils in 2120 can open the capsule to find out more about how we lived. A time capsule is also a historic cache of goods or information, usually intended as a deliberate method of communication with future people, and to help future archaeologists, anthropologists, or historians.

Potential Items that can be included into the capsule are:

- The latest newsletter
- Photographs.
- A book with a special note
- A technological item
- Letters
- School Uniform

As Walkley families we are asking for your ideas and contributions. The time capsule is likely to be in a secure, watertight container and should represent Walkley Primary School and incorporate local, national and world events in 2020.

Task 1: Little Bears of Sheffield Design:

Please use this template for your bear design ideas. You can use pencil crayons, felt tips, paints or any other resources that you'd like to use to create your designs. We are really looking forward to seeing all of your designs and hope to incorporate many of the ideas into the final creation. Enjoy!

Task 2: Brainstorm your ideas to place in our time capsule to be opened in 2120.

Please use this template to produce your ideas. Your ideas can be drawn, written, or you can cut and stick pictures. Please return your brainstormed ideas to school by Friday 28th Feb 2020
