

LIFE IS A WONDERFUL THING

- 1 I woke up this morning – got out of my bed,
Looked in the mirror and I got myself dressed.
With a stretch and a yawn and a scratch of my head,
'Life is a wonderful thing,' I said,
'Life is a wonderful thing!'

CHORUS

*My heart is beating, morning 'til evening,
I've got the breath of life inside.
My heart is dreaming, I've got the feeling,
It's so lovely when you know you're alive!*

- 2 I went out this morning and what did I see?
Buds and blossoms and the birds in the trees.
With a skip and a whistle a thought came to me,
Life is a wonderful thing indeed,
Life is a wonderful thing.

CHORUS

- 3 I stayed in this morning with little to do.
Mum said, 'Son, you'd better tidy your room.'
Then a friend came to see me and I was excused,
Life is a wonderful thing, it's true,
Life is a wonderful thing.

CHORUS

- 4 I woke up this morning and here's what I thought:
What surprises will I find at my door?
With a new day before me and plenty in store,
Life is a wonderful thing, for sure,
Life is a wonderful thing.
Life is a wonderful thing, uh huh,
Life is a wonderful thing!
