

Read Write Inc

Read Write Inc continues to go from strength to strength. Due to the upcoming phonics screening we are continuing the super booster group called 'The Comets'. The

Year 1 Star group continues to grow as the children succeed the RWI programme.

Your child will also create one extended piece of writing every couple of weeks called Golden Writing, which will be linked to our theme of 'The Solar System' You can help your child by reading regularly with them and completing the spelling homework.

Due to the upcoming phonics screening, any extra help practising hotlists and reading would be appreciated.

Science

Our Science topic will be:

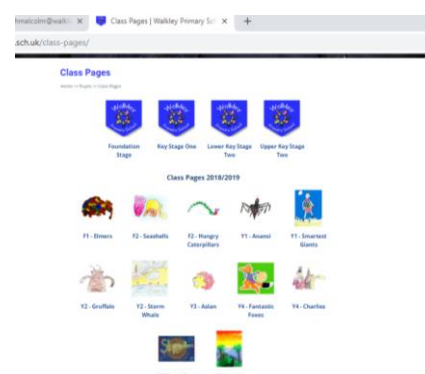

'What material will we make our rocket from?'

Distinguish between an object and the materials from which it is made.

Identify and name a variety of materials and describe the simple physical properties.

Year 1

Summer 2

Theme: The Solar System

Teachers: Mr. Selwood

Mr. Murphy

TA: Mrs Wallis

Mrs Scanlon

Numeracy

This term we will be telling the time to the hour and half past the hour and drawing the hands on a clock face to show these times. We will also be comparing, describing and solving practical problems for time.

Furthermore, we will be recognising and learning to know the value of different denominations of coins and notes.

How You Can Help

Please ensure that you are punctual for school, arriving by 8.50 before doors are locked at 8.55. If you arrive later please remember to sign in at the office.

If your child is off school ill please ring school to let us know straight away.

Spellings will be sent out each Friday and tested on a Thursday.

We will send Big Math's Learn It sheets home every Friday!

Please read with your child and leave a comment in their reading records.

Remember that PE is on Tuesday, so please ensure they have a PE kit in school.

Don't forget school meals are **FREE** for Foundation, Y1 and Y2. Milk is payable in the school office!

Physical Education

This term in games we will be learning how to win and lose, work with partners, work as a member of a team and use simple tactics.

Creative Curriculum

After our in-depth training and planning, we are ready to fly to the moon. This term we will be making our space helmets and taking off on our rescue mission. After our adventure we will be writing diaries of our journey. Imagine the wondrous things we will see!
