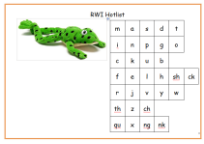
Read Write Inc

Read Write Inc continues to go from strength to strength. Children are either in small, focused RWI groups or in a Star writing group.

Your child will also create one extended piece of writing every couple of weeks called Golden Writing, which will be linked to our theme of 'The Great fire of London' You can help your child by reading regularly with them and completing the spelling homework.



Due to the upcoming phonics screening, any extra help practising hotlists and reading would be appreciated.

Science

Science and our topic will be:

'What do you need to become the perfect Firefighter?'

Can they talk about what they see, touch, smell, hear or taste?

Identify, name, draw and label the basic parts of the human body and say which part of the human body is associated with each sense.

Visit our Class Blog at:

Walkley Primary School

Year 1

Spring 2

Theme: Great Fire of London

Teachers: **Mr. Selwood**

Mr. Murphy

TA: **Mrs Wallis**

Mrs Scanlon

This term we will be reading 3 digit numbers, and learning to add and subtract on a number line. We will also be practising doubling 2 digit multiples of ten.

Furthermore, we will be discussing the time, day and date on a daily basis. Children will receive maths homework that reinforces their class work. See the blog to download homework if your child has been absent. **Please note:** all homework is given out on Friday and handed in on Thursday.

How You Can Help

Please ensure that you are punctual for school, arriving by 8.50 before doors are locked at 8.55. If you arrive later please remember to sign in at the office.

If your child is off school ill please ring school to let us know straight away.

Spellings will be sent out each Friday and tested on a Thursday.

We will send Big Math's Learn It sheets home every Friday!

Please read with your child and leave a comment in their reading records. **Remember that PE is on Tuesday, so please ensure they have a PE kit in school.**
Don't forget school meals are **FREE** for Foundation, Y1 and Y2. Milk is payable in the school office!

Physical Education

This term in gymnastics we will be learning balances, the 5 gymnastic stances, 5 different types of jumps and how to land safely.

Creative Curriculum

Our children have learned so much during our exploration of The Great Fire of London. The visit to the National emergency services museum was a roaring success and kindled their enthusiasm for our theme. This term we will be thinking about Thomas Farriner's bakery and baking. There are lots of opportunities for learning maths (weighing), writing (recipes), and design and food technology.
