

Anansi Maths Homework Summer 1 Week 2 – Year 1

Learn Its!

This week's learnt Its to practise are:

$$6 + 6 = \quad 7 + 7 = \quad 8 + 8 =$$

$$9 + 9 =$$

Also we need to be able to count in

Fives: 5,10,15,20,25,30,35,40,45,50

Try saying them in different voices (scared, happy, shout, whisper etc.)

Can you sing our Learn-its song to your grown up? Teach them how to sing it with you.

Multiplication

Use groups to solve multiplication

Remember to...

- ... find out how many groups of what size by reading the number sentence
- ... set out one group
- ... set out the right number of groups
- ... count all of the dots to find out the answer

$$3 \times 4$$

$$5 \times 3$$
