

Maths Homework Spring 1 Week 5

Learn Its!

Last week we revisited some of our Learn Its

$$4 + 2 = 6, 5 + 2 = 7, 6 + 2 = 8$$

Time yourself or get someone to time you.

Write your Learn It as many times as you can in 1 minute.

Now try again, can you beat your score?

Can anyone else beat your score?

Good Luck!

This Week!

Odd Todd and Even Steven

Do you remember our new friends?

Lets see!

Odd	Even

Can you write these numbers in the right box?

3, 8, 6, 12, 14, 17, 21, 28, 32, 35, 37, 46, 52

Now write some more of your own in a different colour
