Complaints from Local Residents regarding inconsiderate parking

Dear Parents/Carers,

We have received a number of messages from local residents and parents of pupils at Walkley Primary School regarding inconsiderate and dangerous parking by some of our parents at drop-off and pick up times and the stress this is causing to their daily lives.

Please be mindful of where you park and ensure you do not block garages or driveways as residents need access to these at all times. We understand that everyone is arriving at the same time either before or after school to collect children but please try and allow extra time to park a little further away and walk in.

Our Walkley Wardens will be out in operation thanking safe and considerate drivers over the coming weeks.

Thank you

Yours Faithfully,

Walkley Primary School Safeguarding Team
