WPS – Response to Rising temperatures

Dear Parents/Carers,

I am writing to you about the rising temperatures that we are experiencing across the country and to let you know what measures we will be introducing to ensure that the children remain safe.

We will:

- reduce the amount of time that children are outside in the sunshine particularly a lunchtime
- provide opportunities for the children to remain indoors during lunchtimes
- reduce the amount of physical activity such as PE and Dance particularly in the afternoon when the heat is strongest
- have regular water breaks throughout the day

Parents can support us further by:

- ensuring children come to school in appropriate clothes such as sun dresses, shorts and polo shirts as well as wearing a hat (please make sure these are labelled)
- applying sun cream before children arrive in school
- ensuring children have a labelled water bottle in school

Thank you for your support. If you have any questions regarding this, or any other issues, please don't hesitate to contact us.

Yours faithfully

Mr Wallis

Headteacher
