16th June 2022

EYFS and KS1 Sports Day 2022

Dear Parents/Carers,

This year 'Sports Day' will be held on **Wednesday 29th June**, weather permitting.

The event will involve traditional races and will take place on the **Front and Top yard in front of the Reception classes**. **Parents are very welcome to attend. Please see the schedule below to see where your child will be competing.**

Class name	9.15-11.15am	
Chameleons	Traditional races on the front yard	
Caterpillars		
Jolly Posties		
Anansi	Traditional races on the top yard	
Gruffalos		
Giants		

In order to complete all the activities on the schedule, good timing is essential so if you would like to attend the event please arrive by **9.15am or simply take a seat on the bank after drop-off**. There will be staff around to guide you where to go.

Children will be supervised by their teachers in their class areas. You will be able to watch the activities from the parent viewing area on the bank. Please bring a blanket if you have one. For safety reasons you will not be able to sit with your child. Following the races, children will be escorted back to the classrooms by staff ready for a prompt lunch.

Stickers will be awarded for races on the day and small prizes will be presented in Golden Assembly on Friday 8th July.

Please make sure that your child has a full PE kit in school, consisting of a **white T-shirt, blue or black shorts and pumps/trainers**. Pupils will bring their water bottles with them to the event so please ensure they have a water bottle in school. If it is a sunny day it would also be advisable to send your child with a sun hat/baseball hat as there is not a lot of shade. Also, be sure to apply sun cream to your child before school.

In previous years we have had to shorten the event considerably due to high temperatures. We hope this year that the weather will be more favourable. However, if it is too hot or wet we will inform you of any schedule changes on the day via text.

We look forward to seeing you there.

Kind Regards,

Mr Wallis
