'Enjoyment, Achievement and Learning for life...'

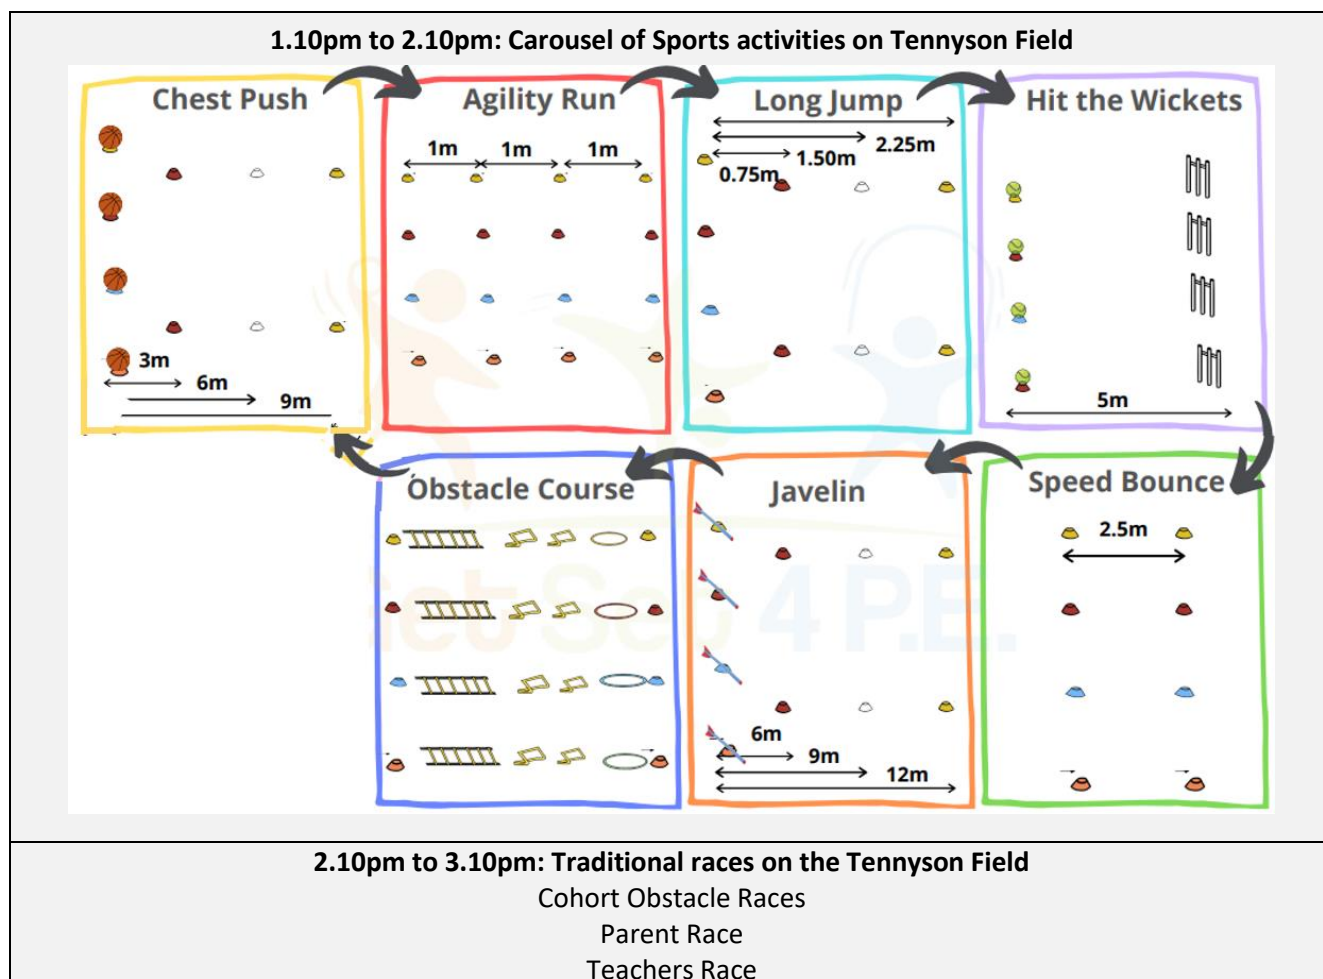

16th June 2022

KS2 Sports Day 2022

Dear Parents/Carers,

This year 'Sports Day' will be held on **Wednesday 29th June**, weather permitting.

The event will involve traditional races and a carousel of other sports activities and will take place on the **Tennyson Field** (where Tennyson Building used to be). Parents are very welcome to attend.

In order to complete all the activities on the schedule, good timing is essential so if you would like to attend the event please arrive by **1.10pm**. There will be staff around to guide you where to go.

Children will be supervised by their teachers in their class areas. You will be able to watch the activities from the parent viewing area on the bank. Please bring a blanket if you have one. For safety reasons you will not be able to sit with your child. Following the races, children will be escorted back to the classrooms by staff ready for a prompt finish to the day.

Stickers will be awarded for traditional races on the day and children will be competing for their school houses (Porter, Sheaf, Rivelin or Loxley) during the carousel of activities. Small prizes will be presented in Golden Assembly on Friday 8th July.

Please make sure that your child has a full PE kit in school, however it would be great if they could wear a T shirt in the colour of their house (Blue=Porter, Sheaf=Green, Rivelin=Red, Yellow=Loxley), **blue or black shorts and pumps/trainers**. Do not worry if you do not have a T shirt in the colour requested, a white T shirt is fine; the children will be given a band in the correct house colour.

Pupils will bring their water bottles with them to the event so please ensure they have a water bottle in school. If it is a sunny day it would also be advisable to send your child with a sun hat/baseball hat as there is not a lot of shade. Also, be sure to apply sun cream to your child before school.

In previous years we have had to shorten the event considerably due to high temperatures. We hope this year that the weather will be more favourable. However, if it is too hot or wet we will inform you of any schedule changes on the day via text.

We look forward to seeing you there.

Kind Regards,

Mr Wallis
Headteacher
