'Enjoyment, Achievement and Learning for life...'

12th June 2022

Change to Holiday Dates – Extra Bank Holiday

As you will be aware this year there was an additional Bank Holiday to celebrate the Queens Platinum Jubilee. As the official bank holiday fell within a school holiday the Government released the following information.

The Government has legislated to amend the School Day and Year Regulations 1999 to reduce the school year from 380 to 378 sessions in order to accommodate the additional Bank Holiday. The amending Regulation and explanatory note can be found at the following link:

The Education (School Day and School Year) (England) (Coronavirus) (Amendment) Regulations 2021
([legislation.gov.uk](https://www.legislation.gov.uk))

The Government has not fixed the additional date so the assumption is that it will be determined by each individual school."

We have allocated Friday 22nd July 2022 for this additional day so as to cause the least disruption for our parents. Inset Days 4 and 5 will now be on Wednesday 20th and Thursday 21st July.

Pupils last day in school will be Tuesday 19th July 2022.

Please find attached an amended holiday/term times dates for your information.

Yours Faithfully

Chris Wallis
