

Awards and Winning- Golden Citizen

In Walkley primary School we have an award assembly.

In this assembly children can win the Golden Citizen award.

Every week the class teacher chooses someone in their class to be the Golden Citizen

Being the Golden Citizen makes children feel good.

When other children are the Golden Citizen this could make us feel an unhappy feeling. It's ok to have feelings.

- We might feel disappointed.
- We might feel unhappy
- We might feel cross.
- We might wish it was us that had won the award.
- We might wonder when it will be our turn to be the golden citizen

What Can We Do to Feel Better

We can remember we might be chosen next time. Remember everyone gets a chance to be the Golden Citizen.

We can say to ourselves "maybe next time".

We can say to "well done" to the winner. This will make them feel good. Making them feel good could make us feel more happy.

We can think about a time when we were Golden Citizen, or when our teacher told us "well done" and how good we felt. We can imagine how good it will feel to win the award. This can help us feel better.

We can know that even when we are not the Golden Citizen our adults in school are proud of us and notice when we follow the Walkley school rules.

We can keep on trying our best. This is a smart thing to do.

We can know that one day it will be our turn to win an award and be the Golden Citizen.

To be the Golden Citizen:

- Follow our school rules
- Keep our hands and feet to ourselves
- Do our best work
- Say kind words and push ups to our teachers and children in class.
- Be a role model and show others how to do the right thing.
