Parent Consultation Meetings – Phone-calls

Dear Parents/carers,

First of all, thank you so much for engaging with the new School Cloud platform so well. Any new platform or procedure is always considered and can of course be liable to suffer difficulties. For many of our parents and teachers this has been a hugely successful step in the right direction, moving from phone-call consultations to face-to-face virtual meetings, offering suitable flexibility under the current restrictions.

Take up of appointments was around 80%, but for a range of reasons including staff absence, technical issues and mis-understanding of the process, these appointments were not all attended.

We will be rearranging the virtual face to face consultations for all parents of Varjak Paw pupils but to support our families who we could not meet through School cloud, your child's teacher will be contacting you by phone. These phone calls will begin after half term.

Parents who have not yet spoken to their child's class teacher will be allocated a time for the week beginning 1st November. More information on the timings for these phone calls / virtual face-to-face meetings will follow next week.

Once again, thank you for your support.

Yours faithfully

Mr Wallis

Deputy Headteacher
