Clarification on access to the school site

Dear Walkley Parents / Carers,

Over the coming weeks, Phase 2 of the building project which involves moving earthworks onto the Tennyson site will intensify and the contractors Tilbury Douglas will be using more vehicles around the site. We request that parents stick to pavements to access the school site in order to increase safety. Also, following guidance, we have had to permanently close the gate at the bottom of King James Street. This gate leads directly onto the driveway with no crossing facility.

Your Faithfully

Val Sian

Headteacher
