Changes due to Covid-19

We recognise that during this period of uncertainty, things may be difficult for families. We are now running our group programmes, seminars and discussion groups virtually, via Zoom; dates and booking details for these can be found in this booklet.

We are also able to offer support via phone or video chat during this difficult time.

Tips and information from Sheffield Family Centres and Sheffield Parent Hub will be shared on our social media pages:

Sheffield Family Centres

Please email sheffieldparenting@sheffield.gov.uk if you need to speak to a Senior Parenting Practitioner.

Being a parent is amazing but at times we all need practical help and advice. Our Parenting Team delivers Triple P and Incredible Years programmes across Sheffield. These are tried and tested programmes based on international research into what works for families and children!

This booklet will provide information about the different services we can offer and how to book a place to attend.

We all have busy lives and one size doesn't fit all so we have a range of options to suit every parent. Just a few small changes can make a big difference! These are the different services that we offer:

Triple P Seminars

This is for you if you are interested in general information about promoting your child's development. They are 90 minute talks to large groups on a number of different topics. We hope you will find it interesting and take away some ideas.

To book a place on a seminar please follow this link and book Via Eventbrite:
<http://bit.ly/SheffParentHub>

Triple P Discussion Groups

The Triple P Discussion Group Series are 2 hour interactive sessions based on commonly encountered problems, which are delivered in small groups.

This is for you if you'd like a small discussion group session that looks at specific issues with some tailored advice and ideas to take away.

Booking for Discussion Groups is essential. To book on to a place please follow this link and book Via Eventbrite:

Group Parenting Programmes

A group Parenting Programme is for you if you are looking at the Discussion Group topics and think that 3 or more would be useful. Our Group programmes cover the full range of parenting strategies over 9 – 15 weeks depending on the programme.

Booking or referral to a programme is essential.

Please contact us to discuss it in more details on **0114 2057243** or email

0-12 Raising Resilient Children

Parents are introduced to six core building blocks for children to manage their feelings and become resilient in dealing with life stress. These competencies are:

- Recognising and accepting feelings.
- Expressing feelings appropriately.
- Building a positive outlook.
- Developing coping skills.
- Dealing with negative feelings.
- Dealing with stressful life events.

0-12 Positive Parenting

This seminar introduces parents to the five key principles of positive parenting that form the basis of Triple P. These principles are:

- Ensuring a safe engaging environment.
- Creating a positive learning environment.
- Using assertive discipline.
- Having reasonable expectations.
- Looking after yourself as a parent.

0-12 Raising Confident and Competent Children

In this seminar, parents are introduced to six core building blocks for children to become confident and successful at school and beyond. These competencies are:

- Showing respect to others.
- Being considerate.
- Having good communication and social skills.
- Having healthy self-esteem.
- Being a good problem solver.
- Becoming independent.

Teen - Getting Teenagers Connected

Practitioners introduce parents to different aspects of teaching their teenagers to develop supportive friendships and become engaged in appropriate social and recreational groups and activities in the wider community. Parents are given specific ideas about teaching their teenagers the following skills:

- Being confident.
- Being socially skilled.
- Planning ahead.
- Meeting commitments.
- Keeping in contact.
- Taking care of others

Teen - Raising Competent Teenagers

Practitioners introduce parents to six aspects of teenagers becoming confident and successful in school and the community. Parents are given specific ideas to teach and encourage the following:

- Developing self-discipline.
- Establishing good routines.
- Getting involved in school activities.
- Being a good problem solver.
- Following school rules.
- Having supportive friends.

Teen - Raising Responsible Teenagers

Practitioners introduce parents to the six key elements of teenager's becoming responsible and specific ideas about how to teach and encourage each of the following skills:

- Taking part in family decision-making.
- Being respectful and considerate.
- Getting involved in family activities.
- Developing a healthy lifestyle.
- Being reliable.
- Being assertive.

0-12 SEND - Positive Parenting for Children with a disability

This seminar promotes strategies for helping parents raise healthy well-adjusted children by looking at:

- Parents Hope and Dreams
- Developmental delay and disability
- Some realities of being a parent
- Children's behaviour, the tough part of being a parent
- What is positive parenting?
- Seven Key principles of being a parent.

0-12 SEND - Helping your Child Reach their Potential

This seminar looks at ideas to support parents to help their child get off to a good start by looking at:

- Choosing a skill to teach
- Break the skill into steps
- Choose rewards
- Decide when and where to teach
- Use effective teaching strategies
- Keep track and review progress

0-12 SEND - Changing Negative Behaviour into Positive Behaviour

This seminar looks at common behaviour problems and key steps to manage them:

- Track the behaviour
- Understand why behaviour is occurring
- Change events that occur before the behaviour
- Encourage alternative behaviour
- Put your plan into action

Father's Day seminar

This seminar promotes the importance of a father's input to a child's development by looking at:-

- The importance of Fatherhood.
- Promote positive relationship between the father and the child.
- Promote the father's parenting skills.
- Exploring child friendly activities to engage in.
- Father's role in supporting the child with managing emotions and risky behaviour.
- Role modelling care and respect.

Time to Sleep

Sleep hygiene is the behavioural and environmental factors that are necessary for a quality night time sleep and full day time alertness. This is an information session for all parents/carers of children 12 months and over. The session will cover:

- The importance of sleep
- How much sleep do children need
- Possible effects of poor sleep
- Introduction to the sleep cycle
- How to promote good sleep
- What makes a good routine

0-12 Hassle Free Outings with Children

This topic uses shopping trips as an example of one of the most common times parents have to deal with difficult behaviour in public.

Positive parenting strategies are discussed as step-by-step suggestions for preventing problems in this and other potentially difficult community situations.

0-12 Dealing with Disobedience

This discussion group covers why some children have difficulty learning to follow instructions.

The group explores strategies and parents develop a personal plan to teach their child limits and manage disobedience when necessary.

0-12 Developing Good Bedtime Routines

This discussion topic explores different problems parents commonly face at bedtime and some of the reasons why they happen.

The skills children need to get into a good bedtime routine are discussed and parents are introduced to positive parenting strategies to help prevent problems.

0-12 Managing Fighting & Aggression

In this session, parents are encouraged to share their experiences of aggressive and destructive behaviour from their children and discuss some of the reasons children fight.

This group covers the skills that children need to be able to cooperate and get along with others. Parents learn how to teach skills such as sharing, communicating, and being gentle. They also prepare plans to manage times when fighting and aggression do occur.

Community Language Discussion Groups

We are offering a selection of discussion groups delivered in different languages with an interpreter. These are currently being arranged and will be advertised in a later What's On Guide when confirmed. Please contact the Team if you require further information.

Teen - Getting Teenagers to Cooperate

During this discussion, parents share some of their experiences and ideas about dealing with non-cooperation and discuss reasons why teenagers can be uncooperative.

Several positive parenting strategies are introduced to help parents develop a plan to motivate their teenager to be more cooperative.

Teen - Coping with Teenagers' Emotions

In this session parents discuss some of the reasons teenagers have emotional reactions and skills that teens need to calm themselves down. Several positive parenting strategies are introduced to help parents teach their teen to better manage their emotions.

Teen - Building Teenagers' Survival Skills

This discussion topic explores why teenagers sometimes make risky decisions and how they can learn to keep themselves safe while gradually developing independence. Parents are introduced to positive parenting strategies to help their teen plan for a situation which may potentially put their health or wellbeing at risk.

Teen - Reducing Family Conflict

During this discussion, parents explore experiences of conflict with their teenager and discuss why sometimes this occurs in families. Positive parenting strategies are introduced to help parents teach their teens how to get along with other family members and resolve problems.

Group Programmes

Co-Parenting Group Programmes

Co-parenting is a challenge whether you are parents living together or parents who are separated. In Sheffield we recognise this and have the following programmes you can access to support.

Family Transitions

This is a parallel programme for parents/carers who are experiencing personal stress from separation or divorce which is impacting or complicating parenting. It gives parents ways to limit the negative effects on child development by promoting parenting and family processes that contribute to family adjustment after separation. It focuses on skills to resolve conflicts and cope positively with stress.

Duration: 6 weeks

EPEC - Being a Parent Together

This programme is specifically for parents and carers who are concerned about disagreements, quarrels and unresolved difficulties in their relationship that is affecting their parenting. This conflict may at times put the couple's relationship at risk of separation and breakdown. It aims to improve child development and outcomes, parenting, family resilience and family relationships. The Being a Parent Together course creates a trusting group ethos, where parents are encouraged and supported.

Duration: 10 weeks

Separated Parents Information Programme (SPIP) - In Partnership with CAFCASS

This is a one off programme for 4 hours and helps parents who are not in the court arena to understand how to put their children first whilst they separate.

The programme encourages separated parents to behave in the best interests of their children and to become clearer about what their children need most from them. The programme also equips parents with skills to take steps for themselves; this may include developing agreements that do not need court intervention.

Parents do not attend the same session as their ex-partner, but the sessions give parents the tools to help support them and their child/children during this difficult time.

Duration: 4 hours

EPEC - Being a Parent Together Workshop

This workshop is for co-parenting couples to attend together who are either living together or apart. This is an opportunity to reflect on what is working well in the family, putting the children's needs first and what areas could be further developed or changed. The workshop aims to improve child development and outcomes, parenting, family resilience and family relationships. The Being a Parent Together workshop course creates a trusting group ethos, where parents are encouraged and supported.
