19th May 2021

Dear Parents, Carers

Y2 Residential to Kingswood on 10th and 11th February 2022

You may think it is a long time before your child will be in Y2, but we are already thinking about the residential visit the children will be offered during Y2.

Beginning 2021/22, we will be running three residential visits during the school year in Key Stage 1 and 2. We have provisionally booked the Kingswood Peak Venture Residential Centre just outside Penistone, where the children will be able to attend as a cohort of 60.

We would like to offer your child the experience of an overnight stay on **Thursday 10th February 2022** returning on **Friday 11th February**. The cost of the visit will be **approximately £76.17 per child**. This includes travel by coach, full board, accommodation, a programme of 6 activities during the two days they will be there, plus entertainment during the evening of their stay. Costs are based on 60 children attending.

We are presently seeking indicative numbers of interested pupils to secure our numbers

Payment details and arrangements will be sent to all interested parties after half term.

Children benefit greatly from being part of a residential visit. Your child could take the big step of being away from home for the first time; see classmates and teachers in a different light; develop independence and resilience; make choices and generally having a good time! If you wish to find out more about Kingswood Adventure Centres, please visit <http://www.kingswood.co.uk>.

If you would like your child to be part of the residential visit next year, please express your interest via SIMS Pay: <https://www.sims-pay.co.uk/home> Also, if your child will not be participating in the residential, please let us know via SIMS Pay by selecting the appropriate option so that we are aware that you have seen this letter. **Please respond no later than Wednesday 26th May 2021.**

Yours Faithfully

Hamish Malcolm
KS1 Leader
