### **Well-being and Emotional Support for Walkley Pupils and Families**

Dear parents and carers

#### **Pupil Well-being Survey**

Thank you very much for taking the time to complete the survey providing crucial information regarding your child's well-being during the latest lockdown. This information is very helpful for teachers and teaching assistants to assist with the transition back to school. Alongside the Pastoral team, the information you have provided will allow us to support, encourage and reassure our pupils, tailored to their own specific needs. So, thank you so much for this information.

This morning has been a delight in school; the pupils are clearly excited to be back together and the staff are feeling more at ease with all their pupils back under their caring gaze.

If you have not yet completed the form, please do so here. The form will close tomorrow at 9am.
